

**Annual Planner (Academics, Activity, Curricular, Co-curricular & Sports)
Session - 2024-25**

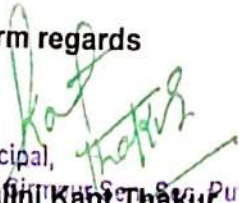

Dear Parents

As we embark on another enriching academic journey at DAV Paonta Sahib, we are thrilled to share our comprehensive activity calendar and planner for the upcoming year. Our meticulously planned schedule encompasses a diverse range of activities aimed at holistic development of our students. From academic pursuits to co-curricular engagements and sports events, we are committed to providing a well-rounded educational experience that nurtures the mind, body, and spirit of each child.

Academically, our curriculum has been thoughtfully designed to challenge and inspire students to reach their full potential. With a focus on critical thinking, creativity, and lifelong learning, we strive to equip our students with the skills and knowledge necessary to thrive in an ever-evolving world. Additionally, our co-curricular activities offer students the opportunity to explore their passions and interests outside the classroom, while our sports program promotes teamwork, discipline, and physical fitness.

Furthermore, we are pleased to provide you with our exam schedule and list of holidays for the academic year. These resources will help you and your child plan accordingly and make the most of their time both inside and outside the classroom. We value your partnership in your child's education and look forward to working together to ensure their success and well-being throughout the year.

Warm regards

Principal,
